

Dear Victoria Court Owners,

The Board of Directors is in the process of updating the Victoria Court website. In addition to the website they are requesting your email address. Emails will be used as a quick means of communication for those who would like to receive them. We use emails for emergencies and important reminders. Your information will not be shared with any outside agency.

If you would like to be added to our list, please complete the following and return.

I would like to receive emails, at times, as a means of communication.

____Yes ____No
